DIRECT DESPATCH SERVICE

Having our own team of trusted delivery drivers means that the likelihood of damage in transit is vastly reduced. We have seen a **60% drop in transit damages** from using third party carriers. Of course, occasionally accidents can happen. In this case, we have a full **Returns Management Solution** (RMS) system in place to ensure as little down time to the customer as possible. We know how frustrating it can be when you are expecting a delivery and working to tight schedules.

This is why we have a dedicated **Home Delivery Team** to look after your orders from the word go. Your account handler will contact the customer directly on the first day of order to confirm all the necessary details. They will then track the order through to successful delivery.

STRESS FREE DELIVERY!

Our Door to Door Delivery service is **3 working days** to most of mainland UK. In more outlying areas such as the Highlands and the South West, deliveries are within **5 working days**. Alongside competitive delivery costs, we believe that LPD offers a unique, fast, secure delivery service that is hard to match.

See opposite for detailed postal areas.

Deliveries

Customers must have good access and the ability to park a 40' articulated lorry within close proximity to the delivery point is a pre-requisite.

Please advise if your premises are subject to any parking restrictions in order that alternative delivery instructions can be pre-arranged as necessary.

Drivers operate unaccompanied so may require help off-loading.

Company policy forbids drivers from leaving their vehicles unattended and accordingly they are not permitted to assist with moving items to storage areas away from the stipulated delivery point.

All our vehicles operate on a multi-drop basis, therefore we are unable to give exact delivery times, however we can normally confirm a specific delivery day.

A charge of £50.00 per pallet will be levied in the event of an aborted delivery resulting from non-compliance by the customer with any of the above conditions.

After Sales Service

Should you have a query on your delivery, please notify us in writing within 3 working days of the delivery date and when contacting us have your delivery note/invoice number to hand.

If you wish to exchange a product, please endeavour to return it to us in the original packaging and the same condition in which it was received.

Any replacement/collection of goods will normally be actioned on your next delivery.

We will only accept returns where it is due to manufacturers' fault or damage caused by LPD.

Any returns due to damage resulting from customer misuse will be returned directly to the customer and credit denied.

Given the scale of our telesales operation and the volume of calls handled, to enable us to provide the best possible customer service, it is vital when speaking to our Sales team regarding your query that you record the name of the relevant sales person in order that your query can subsequently be efficiently tracked by any team member.

For Payment Terms & Carriage Paid Orders, please refer to the website: www.lpdfurniture.co.uk
